This First Amendment to the Declaration for Sage Run Townhomes is effective the 23 day of FEBRUARY, 2023 having been amended in accordance with Article XI, Section 2 of the Declaration for Sage Run (hereinafter the "Declaration") dated December 28, 2021 and recorded in the Register's Office for Davidson County, Tennessee, on December 28, 2021 in Instrument No. 20211228-0170759.

RECITALS

1. As evidenced by the signature affixed hereto, the Declarant consents to adoption of the proposed amendments in accordance with Article XI, Section 2 of the Declaration.

NOW, therefore, the above-referenced Declaration is amended as follows:

1. Article II, Section 32 of the Declaration is amended by replacing said Section in its entirety with the following:

32. "Unit" shall mean and refer to the individually numbered portion of any Building, designed and built for use and occupancy as a residence and intended for independent ownership, which is not owned in common with any other Owner. Each individual Unit shall consist of all the improvements and space therein within the boundary lines for that Unit, as set out on the Plat, attached hereto as Exhibit B. Any Unit may be jointly or commonly owned by more than one Person. The Units shall be additionally identified as being either a "Townhome Unit" or a "Single-Family Unit". A Townhome Unit is any Unit that has at least one exterior wall that is connected to, or shared with, and adjacent Unit. A Single-Family Unit is any Unit that is freestanding and not connected to any other Unit.

2. Article IV, Section 13 of the Declaration is amended by replacing said Section in its entirety with the following:

13. **Insurance.** The Board shall have the authority to obtain such insurance as it deems reasonably desirable or necessary, in such amounts, from such sources and in such forms as it deems desirable. The Board is authorized to obtain the insurance policies and coverage(s) specified in this Declaration

through the Declarant and reimburse the Declarant for the cost thereof. Insurance obtained by or through the Declarant shall satisfy all insurance responsibilities of the Board. The Board may (but shall not be required to) require of those performing any maintenance, repair, or other work on the Development Property for which the Association are responsible, such liability or other insurance, including workmen's compensation, as it deems reasonably necessary or desirable given the nature, circumstances, and amount of the work to be performed. Insurance obtained by or through the Declarant shall satisfy all insurance responsibilities of the Board.

a. *Common Elements.* The Board shall have the authority and shall obtain insurance for the Common Elements against loss or damage by fire, vandalism, malicious mischief, and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Common Elements and against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of the Association, and the proceeds thereof shall be payable to the Board, as the trustee for the Association, and the policy shall include a standard mortgage clause or equivalent endorsement. The policy of insurance shall be a "blanket" or "master" type of policy and should also contain, if possible, a waiver of subrogation rights by the insurer against individual Owners. The premiums for such insurance shall be a Common Assessment.

b. *Single-Family Units – Insurance Specifics.* **EACH OWNER SHALL BE RESPONSIBLE FOR OBTAINING INSURANCE FOR THAT OWNER'S SINGLE FAMILY UNIT (including the contents therein), LIMITED COMMON ELEMENTS, AND THE PRIVATE ELEMENTS,** the ownership, possession, enjoyment, benefit, and use of which are reserved exclusively to such Owner against loss or damage by fire, vandalism, malicious mischief, and such other hazards as are covered under standard extended coverage provisions for the full insurable replacement cost of the Unit, the Limited Common Elements, the Private Elements, if applicable, and any personal property of the Owner stored in the Unit or elsewhere on the Development Property. In addition, each Owner shall be responsible for obtaining his own insurance insuring said Owner personally from liability in connection with the ownership, possession, use, and occupancy of his Unit. **Such insurance shall not be the responsibility of the Association and by acceptance of a deed to a Unit, each Owner acknowledges that such insurance is and shall be the sole responsibility of said Owner.**

c. *Townhome Units – Insurance Specifics.* The Board shall have

the authority to and shall obtain insurance for the Townhome Units exclusive of the additions within, improvements to and decorating of the Townhome Units or limited Common Elements by the Unit Owners, against loss or damage by fire, vandalism, malicious mischief and such other hazards as are covered under standard extended coverage provisions, for the full insurable replacement cost of the Townhome Units, against such hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Townhome Units to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the trustee for each of the Townhome Unit Owners in direct ratio to said Unit Owner's respective percentage of ownership, and for the holders of mortgages in the Townhome Units, if any. The policy of insurance shall also contain, if possible, (a) a waiver of subrogation rights by the insurer against individual Townhome Unit Owners, (b) an inflation guard endorsement, (c) a building ordinance endorsement and (d) (i) a guaranteed replacement cost endorsement or (ii) a replacement cost endorsement and, where available as agreed amount endorsement. The premium of such insurance and funds to cover any deductible amount shall be a common expense assessed to the Townhome Units Owners. However, at the option of the Board, and upon written notice to all Townhome Unit Owners, premiums for such insurance may be billed to each Townhome Unit Owner for their Unit and their corresponding percentage of ownership in the Townhome Units.

d. *Casualty Insurance.* To the extent deemed desirable by the Board, the Association shall obtain and keep in full force and effect at all times, to the extent reasonably obtainable, casualty, fire, and extended coverage insurance with respect to all Common Elements, Improvements, and personal property owned by the Association.

e. *Liability Insurance.* To the extent deemed desirable by the Board, the Association shall obtain and keep in full force and effect at all times, to the extent reasonably obtainable, broad form comprehensive liability insurance covering public liability for bodily injury and property damage.

f. *Fidelity Coverage.* To the extent reasonably obtainable, the Association may obtain and keep in full force and effect at all times a fidelity policy or bond providing fidelity coverage against dishonest acts on the part of the Managing Agent, directors, officers, employees, and volunteers of the Association responsible for handling funds collected and held for the benefit of the Owners or otherwise belonging to or administered by the Association.

g. *Coverage Sufficiency and Deductibles.* The Association shall periodically review the sufficiency of insurance coverage. All Association policies shall provide for a certificate of insurance to be furnished to the Association and, upon written request, to any Member. The policies may contain a reasonable deductible. In the event of an insured loss of the Association, the deductible shall be treated as part of the Common Assessment. However, if the Board reasonably determines that the loss is the result of the negligence or willful misconduct of one or more Owners, their guests, invitees, or lessees, then the Board may levy an Assessment of the full amount of such deductible against such Owner(s) and their Unit(s). The Board is authorized to obtain the insurance policies and coverage(s) specified in this Declaration through the Declarant and reimburse the Declarant for the cost thereof.

h. *Policy Requirements.* All insurance coverage obtained by the Board for the Association shall: (i) be written with a company authorized to do business in the State of Tennessee, which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate; (ii) be written in the name of the Association as trustee for the Owners, who shall be insured under such policy to the extent of the Owners' interest; (iii) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees, individually; (iv) contain an inflation guard endorsement; and (v) include an agreed amount endorsement, if the policy contains a co-insurance clause.

i. *Additional Requirements.* In addition, the Board shall use reasonable efforts to secure insurance policies which list the Owners as additional insureds and provide: (i) a waiver of subrogation as to any claims against the Association's Board, officers, employees, and its manager, and the Owners and their tenants, servants, agents, and guests; (ii) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of anyone or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure; (iii) an endorsement requiring at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal; (iv) a cross liability provision; and (v) a provision vesting in the Board exclusive authority to adjust losses.

j. *General Provisions.* Insurance obtained by the Association may contain such deductible provisions as good business practice may dictate. To the extent reasonably possible, and provided Declarant reimburses the Association for any additional premium payable on account thereof, insurance obtained by the Association shall name

Declarant and any Managing Agent as an additional insured and contain a waiver of rights of subrogation as against Declarant, the Managing Agent, and any officer, director, agent, or employee of Declarant or Managing Agent. Casualty, fire, and extended coverage insurance may be provided under blanket policies covering the Development Property and/or property of Declarant. Each Owner hereby irrevocably appoints the Association as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: (i) the collection and appropriate disposition of the proceeds thereof; (ii) the negotiation of losses and execution of release of liability; (iii) the execution of all documents; and (iv) the performance of all other acts necessary to accomplish such purpose.

k. *Premiums.* The premiums for insurance procured pursuant to this Declaration shall be a Common Assessment to those Members benefitting from then issued policies.

3. Article VII, Section 3 of the Declaration is amended by replacing said Section in its entirety with the following:

3. **Common Assessment Calculation.** Prior to commencement of each Assessment Year, the Board shall fix the amount of the Common Assessment by preparing a Budget for the Administrative Functions to be provided by the Association in the coming Assessment Year. The proposed Budget is to show the categories of expenses and the anticipated amounts of expenses for which Common Assessments are determined by the Board to be necessary or desirable and shall reflect any expected income and estimated sources and amounts thereof of the Association for such Assessment Year, as well as any expected surplus from the prior Assessment Year. At the office of the Association or its agent, copies of the proposed Budget and the Budget for the current Assessment Year will be made available by the Association to any Person requesting a copy thereof upon payment of the reasonable expense of copying same. With exception of any insurance premiums related to the Townhome Units, the Board shall allocate the Common Assessment equally among the Units, as further set forth on Exhibit C hereto.

4. Article IX of the Declaration is amended by adding Section 18 as follows:

18. **Fencing.** Fencing will be allowed only in the areas outlined in this Declaration. Fencing is permitted in areas adjacent to any Single-Family Unit on the side of the Unit where there is an exterior door. Fencing in the specified areas shall not extend beyond the front or rear structure of the subject Unit and shall not be affixed to any adjacent Unit. If a Single-Family Unit is adjacent to a Townhome Unit, the maximum distance any fence may be located from the

exterior wall of the subject Single Family Unit is 8'. In instances where the exterior side door of a Single-Family Unit does not face another Unit, the maximum distance any fence may be located from the exterior wall of the subject Single-Family Unit is 10' unless there already exists a sidewalk or other common element improvement. The maximum height of any fence is 48" and the fence material must be black in color and either aluminum, vinyl or Steel. All fencing material and location must be approved in advance by the Board in writing. Fencing options that have been pre-approved by the Board are the Freedom brand New Haven aluminum fencing (Lowes) and the 48-inch-high Aurora Residential (Quick Ship). **IT SHALL BE THE RESPONSIBILITY OF THE UNIT OWNER TO MAINTAIN ANY AREAS FENCED IN AS WELL AS TO MAINTAIN THE FENCE ITSELF.**

Except as specifically amended hereinabove, all other provisions and Exhibits of the Declaration remain in full force and effect.

(signatures and acknowledgements appear on the following page)

1. **General Owner Use and Enjoyment Rights.** Except as may be provided in this Declaration, Supplemental Declaration or the Governing Documents, every Owner shall have a right and easement of enjoyment in and to the Development Property, which shall be appurtenant to and shall pass with the title to each Unit, subject to applicable law, the provisions contained in this Declaration, any Supplemental Declaration, or the Governing Documents. All Owners may use the Development Property, unless otherwise provided by law or in this Declaration or unless provided in Supplemental Declarations governing the Unit of such Owner.

2. **No Partition.** No Owner shall have the right to partition or seek partition of the Development Property or any part thereof.

3. **Common Elements.** Except as otherwise provided herein, maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and shall be furnished by the Association, the cost of which shall be part of the Common Assessment assessed to and paid by Owners benefitted thereby.

4. **Units, Private Elements, and Limited Common Elements.** Each Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs to and replacements within his Unit, as well as to the Private Elements and Limited Common Elements appurtenant to his Unit. If any Owner fails to maintain, repair, or replace any items required herein to be maintained, repaired, or replaced by said Owner, then the Association shall have the right upon ten (10) business days' notice, but not the duty, in its sole discretion, to carry out such maintenance, repair, or replacement, the cost of which shall become a Reimbursement Assessment attributable to such Unit.

5. **Owner Liability for Damage.** Each Owner and any tenant, occupant, family member, guest, agent, servant, or invitee thereof shall be liable to the Association for any damage to the Development Property or for any expense or liability incurred by the Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of such Owner and for any violation by such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of this Declaration, any Supplemental Declaration, and the Governing Documents. The Association shall have the power, as elsewhere provided herein to levy and collect Reimbursement Assessments against an Owner to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Declaration and the Governing Documents, or for any increased insurance premiums directly attributable to any such damage or any such violation.

6. **Damage Removal and Reconstruction.** In the event of damage to Common Elements by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of any Development Property, the Board shall promptly cause debris to be cleared and leave the same in a neat and orderly condition. The Board shall, in its sole and absolute discretion without intervention of any Owner, determine and arrange for prompt repair, restoration, and reconstruction of the damaged portion of such Common Elements in substantial accordance with the original plans and specifications, therefore. Any change or alteration must be approved by the Board. Where the insurance indemnity is insufficient to cover the cost of such repairs, restoration and reconstruction, the deficit shall be paid by all Owners directly affected by the damage or destruction in a fair proportion as determined by the Board in its sole and absolute discretion. The Board shall

not be responsible for the repair, replacement or restoration of any Unit, the Private Elements or any furnishings, fixtures, appliances, equipment, decorations, or landscaping installed in or for the sole benefit of a Unit by its Owner.

7. **Non-Compulsory Reconstruction.** Reconstruction shall not be compulsory where the whole or more than two-thirds (2/3rds) of any single Building is destroyed or damaged by fire or other casualty as determined by the Board. In such case and unless otherwise unanimously agreed upon by the Owners directly affected by the casualty, the net proceeds of insurance policies shall be divided equally among such Owners and the Mortgagees of the Units directly affected by the casualty as determined in the sole discretion of the Board, after paying from the share of each affected Owner or Mortgagee, as their interests may appear: (a) the costs of removing debris and returning the site to a condition compatible with the overall appearance of the Development Property, including without limitation, landscaping, and (b) the just amount of any unpaid liens on any Unit in the order of priority of such liens. Provided, however, no such disbursement of the insurance proceeds to any Owner or Mortgagee shall occur unless simultaneously with such disbursement each affected Owner delivers to the Board a recordable deed quit claiming his interest in his Unit and the Private Elements and Limited Common Elements appurtenant thereto to the Board, as trustee for the remaining Owners, and also delivers to the Board a recordable release of any liens on his Unit.

8. **Withdrawal of Destroyed Unit and Percentage Interest Reallocation.** Upon recording of the deeds and releases referred to in the preceding paragraph as same relate to each such destroyed Unit, said Unit shall be deemed withdrawn and shall be thereafter deemed to be Common Elements. After the Board has affected any such withdrawal, the responsibility for the payment of future Common Assessments for any such withdrawn Unit shall cease.

ARTICLE VI DECLARANT'S RIGHTS AND RESERVATIONS

1. **Applicability and Term.** Declarant shall have and hereby retains and reserves certain rights set forth in this Declaration with respect to the Association and the Development Property. Declarant's rights and reservations set forth herein shall be deemed excepted and reserved in each recorded Supplemental Declaration, in each conveyance of property by Declarant to the Association and in each deed or other instrument by which any property within the Development Property is conveyed, whether or not specifically stated therein. The rights, reservations, and easements of Declarant set forth in this Declaration during the Period of Declarant Control may not, without Declarant's prior written consent, be modified, amended, rescinded, or affected by any amendment hereto, including any amendment of this Article. Declarant's consent to any such amendment shall not be construed as consent to any other or subsequent amendment. In the event of any conflict between the rights reserved to Declarant hereunder and any other provisions of this Declaration, then Declarant's rights shall control. In the event of Declarant default of its development loan or other financing related to the development of the Development Property that results in the transfer of ownership of the Development Property to the lender, then all of Declarant's rights, duties, obligations, liabilities and any other responsibility set forth in this Declaration shall automatically be transferred and assigned to such lender.

2. **Additional Improvements.** Declarant shall have and hereby reserves the right, at any time and from time to time, but shall not have the obligation, to construct, at its expense, additional Improvements on Development Property which are for the betterment and enhancement thereof and for the benefit of the Association and the Owners. Declarant will convey or transfer such Improvements to the Association, which shall be obligated to accept title to, care for, and maintain the same as elsewhere provided herein.

3. **Promotion and Marketing.** Declarant shall have and hereby reserves the right to use the Development Property in connection with development, construction, promotion, marketing, sale and leasing of properties within the Development Property, by erecting and maintaining on any part of the Development Property such signs as Declarant, in its sole discretion, may deem desirable, necessary or proper in connection with the

development, construction, promotion, marketing, sale and leasing of parcels of real property within the Development Property, and by permitting prospective purchasers of any of such parcels who are not Owners to enter upon Development Property; provided, however, that Declarant shall pay all costs occasioned by such use, including without limitation maintenance and repair expenses.

4. **Development Completion.** No provision of this Declaration shall be construed to limit the right of Declarant to or require Declarant to obtain approval: (a) to complete Improvements indicated on Plats, Site Plans and/or Plans filed with this Declaration, as may be amended from time to time; (b) to create, add, withdraw, modify, alter, subdivide or redefine Units, Private Elements, Limited Common Elements, or Common Elements, comprising the Development Property; (c) to make the Development Property part of a larger planned community or to subject same to a master association; (d) to excavate, cut, fill, or grade any property owned by Declarant or to construct, alter, remodel, demolish, or replace any Improvements on any Development Property; or (e) to require Declarant to seek or obtain the approval of the Association for any such activity or Improvement to property by Declarant on any Development Property. Nothing in this Paragraph shall limit or impair the reserved rights of Declarant as elsewhere provided in this Declaration.

5. **Easements.** Declarant shall have and hereby reserves the right to grant or create temporary or permanent easements and rights-of-way for access, utilities, water, drainage, and other purposes incident to development, construction, or sale within the Development Property, located in, on, under, over, and across Development Property, property owned by Declarant, provided that such easements and rights-of-way that are located within the Development Property do not unreasonably interfere with the rights of Owners.

6. **Conveyance of Additional Property.** Declarant shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and improvements thereon to the Association at any time and from time to time in accordance with this Declaration.

ARTICLE VII ASSESSMENTS

1. **Covenant to Pay and Commencement.** Each Owner, by acceptance of a deed to his Unit, whether or not it shall be so expressed in such deed, is thereby deemed to covenant and agree to pay to the Association: (a) Common Assessments, (b) Working Capital Fund Assessments; (c) Special Assessments, (d) Supplemental Assessments, (e) Reimbursement Assessments, and (f) fines or charges which may be imposed against such Unit in accordance with the provisions of this Declaration. An Owner's obligation to pay Assessments and any other duly levied charge shall commence on the first day of the first month following the transfer or conveyance of a Unit to a person or entity other than the Declarant or an affiliated company of Declarant. The Assessments for the then current Assessment Year shall be prorated on the basis of the number of months remaining in such Assessment Year.

2. **Common Assessment.** The Board shall have the power and authority to levy a "Common Assessment" to fund the annual or other periodic costs of operating the Association, including expenses incurred in connection with any Administrative Function and other expenses duly incurred by or on behalf of the Association which are to be paid by each Owner to the Association. Expenses which may be duly incurred on behalf of the Association in connection with the performance of Administrative Functions include, without limitation, the following:

a. Expenses of maintenance, operation, repair, replacement, and security of the Common Elements, including, without limitation, costs of labor, equipment, and materials incurred in connection therewith.

b. Utility charges for utilities serving the Common Elements and for the

lighting of streets throughout the Common Elements, as well as charges for other common services for the Development Property.

c. Expenses related to sprinkler systems, supplemental trash disposal, recycling collection, seasonal decorative lighting, and other seasonal landscaping.

d. Principal, interest, and other charges payable with respect to: (i) loans to the Association to provide funds to perform any Administrative Function or to pay any other obligation of the Association, including, without limitation, loans financing the construction of Improvements for the Development Property and on loans from Declarant made to the Association to fund Association expenses prior to the time when Common Assessments payable by Owners other than Declarant are sufficient to fund the normal operating expenses of the Association.

e. Other expenses as may be determined from time to time by the Board to be incurred necessarily or appropriately for the performance of Administrative Functions, including, without limitation, taxes, insurance premiums, utility charges, and government charges not separately assessed against Units.

f. The establishment and maintenance of a reasonable reserve fund or funds for (i) maintenance, repair, and replacement of those portions of the Development Property and Improvements thereon that are the responsibility of the Association and that must be maintained, repaired, or replaced on a periodic basis; and (ii) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments or liens, as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

3. **Common Assessment Calculation.** Prior to commencement of each Assessment Year, the Board shall fix the amount of the Common Assessment by preparing a Budget for the Administrative Functions to be provided by the Association in the coming Assessment Year. The proposed Budget is to show the categories of expenses and the anticipated amounts of expenses for which Common Assessments are determined by the Board to be necessary or desirable and shall reflect any expected income and estimated sources and amounts thereof of the Association for such Assessment Year, as well as any expected surplus from the prior Assessment Year. At the office of the Association or its agent, copies of the proposed Budget and the Budget for the current Assessment Year will be made available by the Association to any Person requesting a copy thereof upon payment of the reasonable expense of copying same. The Board shall allocate the Common Assessment equally among the Units, as further set forth on Exhibit C hereto.

4. **Assessment Notice.** Notice of any Assessment set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner for notices provided herein or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit. Such notice shall state the type of Assessment being levied, the amount to be paid, payment frequency (annual, quarterly, monthly, or as otherwise set by the Board), and the payment due date(s), as well as any other required information. Notices will be given to Owners in a reasonable period of time prior to the payment or first installment due date.

5. **Delinquent Payment.** All Assessments or other duly levied charge or fine under this Declaration shall be due and payable on date set forth in the notice related thereto. Any Assessment or any portion thereof not paid when due shall be deemed delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur a late charge in an amount as may be determined by the Board from time to time and shall bear interest from the date due at 10% per annum until paid, but in no event shall the interest charged be in excess of the Delinquency Interest Rate.

6. **Failure to Establish Common Assessments.** The failure by the Board to levy Common Assessments for any Assessment Year shall not be deemed a waiver or modification of any of the provisions of this Declaration or a release of liability of any Owner to pay

Common Assessments, or any installment thereof, for that or any subsequent Assessment Year. In the event of such failure, the amount of the Common Assessment for that Assessment Year shall be, until subsequently modified by the Board, the same as for the most recent year for which Common Assessments were levied.

7. **Exempt Property.** Development Property or any portion thereof that is dedicated to and accepted by a local public authority, that is granted to or used by a utility company or is designated as part of the Common Elements shall be exempt from Assessments.

8. **Working Capital Fund Assessment.** Declarant, during the Period of Declarant Control, and thereafter the Board shall charge a "Working Capital Fund Assessment" in the amount of Three Hundred Fifty and no/100 Dollars (\$350.00) at the closing of the sale of the completed dwelling. The Working Capital Fund Assessment, if applicable, will apply to the first sale of a Unit and to every subsequent sale of such Unit. The Working Capital Fund Assessment shall not be considered as advance payment of any Assessment or other duly levied charge. The Working Capital Fund Assessment shall be held and disbursed for the following purposes in the order of priority:

- a. To fund costs of maintenance of the Common Elements and the Administrative Functions of the Association that cannot be funded by Assessments.
- b. To reimburse the Declarant for all amounts loaned or otherwise expended by Declarant to the Association to fund any operating deficits.
- c. To assure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Board.

9. **Special Assessments.** The Board may levy one or more Assessments to be known as "Special Assessments" for the purpose of raising funds, not provided by Common Assessments to: (a) construct or reconstruct, repair, remodel, replace, or maintain Improvements upon Development Property, including necessary personal property related thereto, and to pay ad valorem taxes and insurance on Development Property; (b) add to the Development Property; (c) provide for necessary facilities and equipment to offer the services authorized in this Declaration; (d) repay any loan made to the Association to enable it to perform any duty or function authorized in this Declaration; or (e) pay for any other cost or expense as determined by the Board. The amount of Special Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Special Assessment notice shall state the purpose of the Special Assessment.

10. **Supplemental Assessments.** In any Assessment Year, if the Board determines that the important and essential functions of the Association may not be fully funded by the Common Assessment received or receivable for that Assessment Year, the Board may levy one or more Assessments to be known as "Supplemental Assessments," applicable to that year only, by resolution authorizing same. The amount of Supplemental Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Supplemental Assessment notice shall state the amount of the deficit and the reasons therefor.

11. **Reimbursement Assessment.** Subject to the provisions hereof, the Board may levy an Assessment, known as a "Reimbursement Assessment" against any Owner(s) to reimburse the Association for any loss sustained by reason of the willful or negligent failure of such Owner(s) to comply with this Declaration, any Supplemental Declaration the Governing Documents, which resulted in the expenditure of funds by the Association to remedy a problem or to cause such compliance. In addition to the other information required

to be set forth in Assessment notices, a Reimbursement Assessment notice shall state the reason(s) therefor.

12. **Developer Responsibility.** Until the termination of the Period of Declarant Control, the Declarant shall not be liable for payment of assessments on its unsold Units. However, Declarant may, but shall not be obligated to, elect to contribute to the Association the difference between the amount of Assessments levied on all other Units subject to assessment and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in Declarant's discretion, as either: (a) voluntary contribution; (b) an advance against future Assessments (if any); or (c) a loan by Declarant to the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of Declarant, or Declarant may cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Development Property. Any Subsidy shall be disclosed as a line item in the Budget. The payment of a Subsidy in any year shall under no circumstances obligate Declarant to continue payment of such Subsidy in future years. In the event Declarant expends any of its own funds for Administrative Functions, Declarant shall be entitled to reimbursement from the Association or a credit for such sums against any Assessment that Declarant might be required to pay by virtue of being an Owner. Declarant will not be obligated to pay any operating fund deficiencies that are due to non-payment of Assessments by Owners other than Declarant, and nothing contained in this Paragraph shall be deemed to relieve or release any Owner from the obligation of that Owner to pay Assessments. The decision of Declarant to fund any deficit provided for herein may be satisfied in the form of a cash substitute or by "in kind" contribution of materials and substances or a combination thereof. All "in kind" contributions of services and materials shall be valued at the reasonable market value of such service or materials.

13. **Enforcement: Liens and Personal Obligation.** In order to secure payment of Assessments, fines, or other duly levied charges assessed against any Unit within the Development Property pursuant to this Declaration as same become due, there shall arise a continuing lien and equitable charge ("Assessment Lien") in favor of the Association for all such sums, together with court costs, reasonable attorney's fees, late charges, any other collection costs, and interest thereon as provided herein (collectively, "Non-compliance Damages"). If any Assessment, fine, or other duly levied charge remains unpaid for sixty (60) days from the original due date, the Association may, as the Board shall determine, institute suit to collect Noncompliance Damages, foreclose its Assessment Lien, or both. The Assessment Lien shall be in favor of the Association and each Owner, by acceptance of a deed to a Unit vests in the Association or their agents, the right and power to sue or otherwise proceed against such Owner for the collection of Noncompliance Damages and/or to foreclose the Association's Assessment Lien. The Association shall have the power to bid on the Unit at any such foreclosure sale and to acquire, hold, lease, mortgage, and convey same except that the amount the Association may bid at any such sale may not exceed the total amount owed to the Association by the delinquent Owner. The Noncompliance Damages shall also be the personal obligation of the Person who was the Owner at the time the Assessment, fine, or other duly levied charge became due. Such personal obligation shall not pass to successors in title unless expressly assumed by them, Any sale or transfer described herein shall not relieve such Unit from liability for any Assessments accruing after such sale or transfer.

14. **Priority of Assessment Lien.** The Assessment Lien described in the preceding Paragraph shall be superior to all other liens and encumbrances on such Unit except for: (a) liens of ad valorem taxes; and (b) a lien for all sums unpaid on a first Mortgage, on any secondary purchase money Mortgage, or on any Mortgage to Declarant, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such instrument; provided, however, that the subordination of the Assessment Lien to the foregoing Mortgages shall apply only to Assessments that shall have become due and payable prior to a sale or transfer of such Unit pursuant to a foreclosure. Further, notwithstanding the foregoing, any Mortgage held by a party related to, affiliated with, or controlled by the Owner of the Unit on which such Mortgage exists shall not be entitled to such priority unless such Mortgagee obtains the written agreement of the Association that it will be entitled to such priority before making such Mortgage. All Persons acquiring other

liens or encumbrances on any Unit after the recording of this Declaration shall be deemed to consent that such liens or encumbrances shall be inferior to such future equitable charges and liens for Assessments as provided herein, whether or not such prior consent shall be specifically set forth in the instruments creating such liens or encumbrances.

15. **No Offsets.** All Assessments shall be payable in the amounts specified in the notice related thereto, and no offsets or reductions thereof shall be permitted for any reason, including, without limitation, any claim of non-use of Development Property or Improvements thereon or any claim that the Association, the Board, or any committee of the Board is not properly exercising its duties and powers under this Declaration.

16. **Estoppel Certificate.** Upon the payment of such reasonable fee as may be determined from time to time by the Board and upon the written request of any Owner or any Mortgagee or Person intending to acquire any right, title, or interest in the Unit of such Owner, the Association shall furnish a written statement setting forth the amount of any Assessments or other amounts, if any, due and owing to the Association and then unpaid with respect to such Unit and/or the Owner thereof, as well as the amount of any Assessment levied against such Unit, which is not yet due and payable. Such statement shall, with respect to the Person to whom it is issued, be conclusive against the Association to establish that no greater or other amounts were then due or accrued and unpaid and that no other Assessments were then levied and unpaid against such Unit.

17. **Records of Assessments.** The Association shall cause to be maintained in the office of the Association or its Managing Agent a record of all Owners, their Unit(s) and the Assessments, fines, and/or other duly levied charges applicable thereto that shall be open to inspection by any Owner.

ARTICLE VIII ALTERATIONS AND IMPROVEMENTS

1. **Common Elements.** No Owner shall make any alteration, addition, or improvement to, or place any Improvement upon the Common Elements, or any portion thereof, without the prior written approval of the Declarant and thereafter the Board. The Declarant and thereafter the Board may authorize and charge as part of the Common Assessments any such alteration, addition, or improvement.

2. **Units.** Owners shall be permitted to make any alteration, addition, or improvement to the INTERIOR of their Unit without the prior written approval of the Board, for so long as such alteration, addition, or improvement does not impair the structural integrity or mechanical systems thereof. However, such Owner shall be responsible for any damage to other Units, the Private Elements and Limited Common Elements appurtenant thereto, the Common Elements, the Development Property or any part thereof resulting from such alteration, addition, or improvement.

3. **Private Elements, and Limited Common Elements.** No Owner shall make any material (as determined in the sole discretion of the Board) alteration, addition, or improvement (e.g. alternative exterior building materials, significant exterior color substitutions, solar panels, additional decks/patios/awnings, fencing, hedges, other vegetation, etc.) to the EXTERIOR of his Unit, Private Elements (if applicable) or the Limited Common Elements attributable to his Unit without the prior written approval of the Declarant and thereafter the Board.

4. **Limited Effect of Plan Approval.** The approval by the Declarant or the Board of any Plans for the construction of any Improvement on the Development Property is not intended to be an approval of the structural stability, integrity, or design of a completed improvement, the safety of any component therein, or the compliance thereof with the Metropolitan Government of Nashville and Davidson County regulatory requirements or any federal, state, or local law, regulation, or ordinance. This approval by the Declarant or the Board is required solely for the purpose of insuring compliance with the covenants contained herein and to insure the harmonious and orderly architectural and aesthetic development and improvement of the Development Property. As such, no liability shall

accrue to the Declarant, the Board, or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

5. **Declarant / Association Improvements.** Improvements made and/or work performed by the Declarant or the Association shall not be subject to the provisions of this Article.

6. **Noncompliant Improvements.** Notwithstanding anything to the contrary set forth elsewhere in this Declaration, neither the Declarant nor the Association shall be responsible for the maintenance, repair, and replacement of any construction, installation, alterations, or additions not made in compliance with the provisions of this Article.

ARTICLE IX USE RESTRICTIONS

1. **General.** The following use restrictions apply to all Units and Improvements constructed thereon within the Development Property.

2. **Occupancy Permit.** No Unit may be occupied prior to the issuance of a use and occupancy permit related to same by the applicable governing authority.

3. **Residential Unit.** Each Unit shall only be used for residential purposes and purposes incidental and necessary thereto consistent with this Declaration, and not otherwise. The foregoing restriction shall not, however, be construed in such a manner as to prohibit an Owner from: (a) keeping his personal business or professional records or accounts; or (b) handling his personal business or professional calls or correspondence from his Unit. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restriction. Further, the foregoing restriction shall not preclude real estate sales offices and construction trailers from being maintained on the Development Property by or on behalf of the Declarant for purposes of construction, development and sale of the Development Property and the Units located or to be located thereon.

4. **Lease.** No Unit, or interest therein, shall be leased by an Owner except by a written lease. No lease shall be for a term of less than thirty (30) days. The Lessee under such lease shall be bound by and subject to all of the terms, conditions, restrictions, rights, and obligations of this Declaration and the Governing Documents, which shall be expressly provided in the lease. Upon request by the Board, the Owner of a Unit shall deliver to the Board within ten (10) days a copy of the lease for the Unit. Failure to comply with this Declaration shall be a default under such lease. No Owner may lease less than the whole of a Unit. This restriction shall not be deemed to prohibit Mortgagee who takes title to a Unit pursuant to the terms of its security instrument from leasing same for a limited time until the Mortgagee can find a buyer for the Unit.

5. **Good Condition and Order.** Each Owner shall maintain his Unit, Private Elements, and Limited Common Elements appurtenant thereto in good condition and in good order and repair, at his own expense. Each Owner shall not do or allow anything to be done or kept within his Unit, the Private Elements, and Limited Common Elements appurtenant thereto or the Common Elements which may increase the cost or cause the cancellation of insurance on other Units, the Private Elements, and Limited Common Elements appurtenant thereto or the Common Elements.

6. **Landscaping.** In the event the Board has not retained an Exclusive Landscaper, landscaping and yard maintenance shall be maintained in a neat and orderly fashion by the Owner of the Unit abutting same. In the event an Owner fails to maintain his lawn and landscaping as provided in this Section after five (5) days written notice to do so, the Association shall have the right to complete the maintenance and the cost thereof shall be a lien against the Unit to secure the repayment of such amounts. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

7. **Clotheslines and Lighting.** No clotheslines or similar hanging device shall be permitted on the Development Property. Outside lights at eaves and door entrances, flood lights, and spotlights shall be permitted; provided, however, these lights must be adjusted so that the rays of any beam or floodlight shall not interfere with neighboring Units and their Private Elements or Limited Common Elements. Exterior flashing lights or spot/flood lights on the exterior that shine on or into adjacent Units and their Private Elements or Limited Common Elements shall be prohibited. Any walkway, driveway, or landscape lighting shall be of low intensity. Seasonal decorative lighting shall be permitted only during the holiday season. Any lighting inconsistent with these restrictions must be approved by Declarant during Period of Declarant Control and thereafter the Board.

8. **Garbage Disposal.** Trash, garbage, or other waste shall be kept in sanitary containers and shall be disposed of in a clean and sanitary manner. All equipment for storage or disposal of such materials shall be kept in a clean and sanitary condition and shall be kept inside the garage or other area designated by the Board.

9. **Vehicle Service.** Junk vehicles, inoperable vehicles, unlicensed vehicles not for immediate use, or vehicles of any kind in disrepair, may not be kept or parked on any street or in public view within the Development Property. Vehicles may not be assembled or serviced unless completely hidden from public view. For purposes of this Paragraph, "serviced" shall not be deemed to include the cleaning, washing, or polishing of a vehicle; the changing of oil, lubricants, anti-freeze, or other fluids; nor the replacing of air, oil, or other filters used in the vehicle.

10. **Parking and Entertainment.** All Owners shall park their vehicles in that Unit's garage and, if applicable, dedicated parking space or other parking area designated by the Board. Parking shall be subject to additional Rules and Regulations adopted by the Board. Any vehicle parked in violation of this Paragraph or any other rules and regulations now or hereafter adopted by the Board, may be towed at the expense of the owner of such vehicle or the Owner of the Unit visited by such vehicle owner. Neither the Declarant, the Association, nor the Board shall be liable to the owner of such vehicle for trespass, conversion, or otherwise, nor be guilty of any criminal act by reason of such towing. Neither the removal nor the failure of the owner of such vehicle to receive any notice of said violation shall be grounds for relief of any kind. The term "vehicle" as used herein shall include, without limitation, motorhomes, watercraft, trailers, golf carts, motorcycles, scooters, trucks, all-terrain vehicles, campers, buses, and automobiles.

11. **Livestock, Poultry, and Pets.** No animals, livestock or poultry of any kind shall be raised, bred or kept on any Unit and its Private Elements or Limited Common Elements, except that dogs, cats, or other household pets may be kept, provided they are not kept, bred, or maintained for commercial purposes. At all times, when such household pet is not confined on the Unit and its Private Elements or Limited Common Elements, said pet shall be leashed or otherwise under the immediate control of the person(s) with it. It is the responsibility of the pet owner to clean and dispose of any waste produced by the pet.

12. **Codes.** Each Owner shall observe all governmental building codes, health restrictions, zoning restrictions, and other regulations applicable to his Unit. In the event of any conflict between any provision of such code, regulation, or restriction and any provision of this Declaration, the more restrictive provision shall apply.

13. **Signs.** The following restrictions shall apply to signs: (a) Declarant shall have the right to erect and to approve the erection of reasonable and appropriate signs for its own use and the use of builders and other parties engaged in the construction and sale of Improvements within the Development Property; (b) Declarant shall have the right to remove any unapproved sign, billboard, poster, or advertising device that is placed on any Unit, Private Element, Limited Common Element, or Improvement thereon and in doing so shall not be subject to any liability for trespass or other course of action in connection therewith or arising from such removal; (c) no sign, billboard or poster of any kind of a permanent nature shall be erected, exhibited, maintained, or placed upon any Common Element or Unit, its Private Elements or Limited Common Elements; (d) temporary signs, not

to exceed a maximum surface area of six (6) square feet, such as "For Sale" signs, shall be permitted so long as there are no more than two (2) signs per Unit, and no such sign shall be placed: (i) outside the boundary of the Unit, its Private Elements or Limited Common Elements, (ii) within any right-of-way, (iii) upon the Common Elements, or (iv) upon the Private Elements or limited Common Elements owned by another Owner; (e) all signs shall comply with regulations that may be adopted by the Board from time to time; and (f) all Owners grant to Declarant and thereafter to the Board the right to remove all signs not in compliance with the sign restrictions and in doing so shall not be subject to any liability or criminal action for trespass, destruction of property, or other tort in connection therewith or arising from such removal.

14. **Noise.** No Owner shall cause or allow any use of his Unit, its Private Elements or Limited Common Elements that results in noise which disturbs the peace and quiet of the Development Property. This restriction includes, without limitation, dogs whose loud and frequent barking, whining, or howling disturbs other Owners, exterior music systems, public address systems, or other noise sources which disturb another Owners' ability to peacefully possess and enjoy their Unit.

15. **Nuisances.** Each Owner shall refrain from any act or use of his Unit, its Private Elements or Limited Common Elements that could reasonably cause annoyance, embarrassment, or nuisance to neighboring Units. No noxious, offensive, or illegal activity shall be carried out within any Unit its Private Elements or Limited Common Elements.

16. **Additional Prohibited Activities.** The Board may from time to time reasonably prohibit certain activities on or within the Development Property and such prohibition shall be final and binding on all Owners.

17. **Compliance and Penalty.** Failure to comply with any provision of this Article, Declarant during the Period of Declarant Control and thereafter the Board may take such action as necessary to achieve compliance therewith, including, without limitation, assessment of fines or corrective action to bring such violation into compliance. The Owner shall, upon demand, immediately pay the fine and/or reimburse Declarant or other performing party for all costs incurred, including reasonable attorney's fees. Declarant and thereafter the Association shall have a lien on the Unit and Improvements thereon to secure payment of fines and/or reimbursement for such costs. Such lien may be enforced in the same manner and with the same priority that the lien for Assessments may be enforced.

ARTICLE X MORTGAGEE RIGHTS AND PROTECTIONS

1. **Actions Requiring Mortgagee Approval.** Except as otherwise provided in the Act, without the prior written consent at least fifty-one percent (51 %) of all recorded first Mortgagees of Units or beneficiaries thereunder (based upon one vote for each Unit upon which a Mortgage is owned), who have requested such notice, the Association shall not be entitled to:

a. By act or omission, seek to abandon or terminate the Townhouse Planned Unit Development established hereby or to seek to abandon or terminate the restrictions herein.

b. Change the formula for determining each Unit's Common Assessment liability or allocating distributions of hazard insurance proceeds or condemnation awards.

4. **Condemnation and Casualty Loss.** Mortgagees shall be entitled to timely written notice of any condemnation or casualty loss that affects either a material portion of the Common Elements or the Unit securing the Mortgagee's Mortgage, and no Owner or any other party shall have priority over any rights of Mortgagees in the case of a distribution to Owners of insurance proceeds or condemnation awards related to Units and/or Common Elements.

7. **Unit Disposition.** This Declaration and the Governing Documents shall not impair the rights of any Mortgagee to: (a) foreclose or take title to a Unit pursuant to remedies provided in the Mortgage; (b) accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor; or (c) sell a Unit acquired by the Mortgagee.

8. **Reserve Fund.** Common Assessments shall include an adequate reserve fund for maintenance, repair and replacement of those Common Elements, if any, that must be replaced on a periodic basis and shall be payable in regular installments rather than by Special Assessments.

9. **General Notice.** Mortgagees shall request notice of the matters set forth

herein by making written request to the Association upon becoming a Mortgagee hereunder and requesting that the name and address of such Mortgagee and the Unit so encumbered be identified by the records of the Association to be established and maintained pursuant to the By-Laws. Any notice requesting approval of any Mortgagee as required herein shall advise said Mortgagee that failure to respond within sixty (60) days of said notice shall be deemed to be approval by said Mortgagee of the matter for which approval is being sought.

ARTICLE XI AMENDMENTS

1. **Owners.** Except as otherwise provided herein, the provisions of this Declaration may be changed, modified, or amended by Supplemental Declaration or other written and properly recorded instrument setting forth such change, modification, or amendment, upon the affirmative Vote of a Majority of Owners at a duly called meeting of the Association or the affirmative written consent of such Majority of Owners at which a quorum is present unless a higher percentage Vote is required elsewhere in this Declaration or applicable law. In the event of a tie Vote concerning any Amendment hereto, the President of the Association shall decide same. However, any such change, modification, or amendment that would change or delete any right, remedy, benefit, or privilege afforded to the Declarant under this Declaration shall require the verified written consent of the Declarant upon such instrument in order to be effective. Unless a higher percentage is required by law, revocation of this Declaration or the self-management of the Association shall require the affirmative Vote of not less than sixty-seven percent (67%) of the all the Members of the Association entitled to Vote at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present. Any such change, modification, amendment, or revocation shall not become effective until the instrument evidencing such change has been recorded in the Register's Office for Davidson County, Tennessee.

2. **Declarant.** The Declarant hereby reserves and shall have the right, power, privilege, and authority, in its sole discretion, to amend this Declaration and any Exhibit hereto without the consent, joinder, or approval of the Association, the Board, Owner, any Person having a contractual right to purchase a Unit, any Mortgagee or beneficiary of any Mortgage or deed of trust on any Unit, or any other Person. Such right, power, privilege, and authority of Declarant shall expire two (2) years after the expiration of the Period of Declarant Control. Declarant shall be in no way obligated to amend this Declaration or any Exhibit hereto pursuant to this Paragraph.

3. **Discrimination.** No amendment shall discriminate against any Owner or against any group of Owners, unless the Owner(s) so affected shall consent. No amendment shall change the Voting rights provided herein unless the Owner(s) so affected shall consent.

ARTICLE XII MISCELLANEOUS PROVISIONS

1. **Duration.** The covenants and restrictions of this Declaration shall run with and bind title to the Development Property, shall be binding upon and inure to the benefit of Declarant, the Association, and all Owners and Mortgagees, and their respective heirs, executors, legal representatives, successors, and assigns, and shall be and remain in effect until the tenth (10th) anniversary of the date of the recording of this Declaration, whereupon this Declaration shall be automatically renewed for successive terms of five (5) years unless Owners holding at least two-thirds (2/3rds) of the Vote of all Owners entitled to cast a Vote elect to terminate the Declaration by vote taken at least six (6) months prior to the end of the current term and such termination is approved by the applicable governing authority. Notwithstanding the foregoing, any easements granted pursuant hereto or in any Supplemental Declaration are and shall be perpetual, except to the extent, if any, otherwise provided in the creation of any such easement, and except that any dedication to and acceptance by an appropriate governmental authority or any conveyance or grant to any appropriate public utility of the facilities that are the subject of any such easements shall terminate those easements if such dedication, conveyance, or grant so provides.

2. **Notice to Owners.** Notice to any Owner set forth herein shall be sent by prepaid U.S. Mail, Fed Ex, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit. It shall be the obligation of every Owner to notify the Association in writing of any change in address. Any Person who becomes the Owner after the date on which notice was made upon such Owner's predecessor in title to the Unit shall be deemed to have received such notice.

3. **Notice to Declarant or Association.** The address of the Declarant or the Association for the purposes of furnishing notice(s) as provided in this Declaration or the By-Laws shall be the Declarant's and/or the Association's principal office of record in the Office of the Secretary of State for the State of Tennessee, unless and until notice of an alternative address is given in writing to all Owners. Notices addressed as above shall be delivered in person with written acknowledgment of the receipt thereof or sent by prepaid U.S. Mail, Fed Ex, UPS, or other reputable private carrier, receipt signature required.

4. **Statute of Limitation.** No action in contract, tort, or otherwise against the Association, the Board, or the Declarant for any action or inaction by the same or to challenge the validity of this Declaration, any Supplemental Declaration or other duly adopted amendment may be brought more than one (1) year after the occurrence of such action or inaction or the date this Declaration, the Supplemental Declaration, or other instrument is recorded.

5. **Perpetuities and Restraints on Alienation.** If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States in office at the time of the Recording of this Declaration.

6. **Books and Records.** Except for confidential, non-public information of the Association or that affecting the privacy rights of third parties or otherwise subject to confidentiality or non-disclosure protections or objections under any basis, the books and records of the Association is subject to inspection at the principal office of the Association by any Owner during reasonable business hours and upon ten (10) days prior written notice. Copies of such records may be purchased at a reasonable cost.

7. **Right to Mortgage Information.** Each Owner hereby authorizes any Mortgagee holding a Mortgage on such Owner's Unit to furnish information to the Board concerning the status of such Mortgage and the loan which it secures, to the extent such information is appropriate to assist the Association in determining if such loan is a valid first Mortgage or secondary purchase money Mortgage.

8. **Limitation on Liability.** The Association, the Board, any other committee established by the Board, the Declarant, and any member of the Board or any committee, officer, agent, or employee of any of them (collectively the "Indemnitees") shall not be liable to any Person for any mistake of judgment, whether negligent or otherwise, or for any action or any failure to act under this Declaration or any Supplemental Declaration. In addition, the Board and the officers of the Association shall have no personal liability with respect to any contract or other commitment made by them, on behalf of the Association (except to the extent that such directors or officers may also be Owners) and the Association, as an Administrative Function, shall indemnify, hold harmless, and defend the Board and such officers from any and all expense, loss, or liability to others on account of any such contract or commitment. In addition, the Indemnitees shall be indemnified and held harmless by the Association, as an Administrative Function, from any expense, loss, or liability to others by reason of having served in such capacity, against all expenses, losses, and liabilities, including court costs and reasonable attorney's fees incurred by or imposed upon such Person in connection with any proceeding to which he may be a party or may have become involved by reason of holding such position, whether or not he holds such position at the time such expenses are incurred, except in cases in which the expenses, losses, and liabilities arise from

a proceeding in which such Person is adjudicated guilty of willful misfeasance, gross negligence, or bad faith in the performance of his duties and for which indemnification is prohibited by law under the Tennessee Not For Profit Corporation Act. In the event of a settlement of any such proceedings, the indemnification provided hereby shall apply only when the Board approves such settlement and reimbursement as being in the best interests of the Association. Any right of indemnification provided in this Paragraph shall not be exclusive of any other rights to which an Indemnitee may be entitled.

9. **Land Outside Development Property.** The restrictions created by this Declaration benefit and burden only the Development Property and no other land whatsoever. Notwithstanding any possible sharing of present or future facilities by other land, whether developed by Declarant or others, the general plan created by the restrictions of this Declaration extends only to the Development Property, and such restrictions are not intended to benefit any Persons other than those having an interest in the Development Property. No Person owning land or having an interest in land outside of the Development Property shall have any right whatsoever to enforce this Declaration for the benefit of such land, and neither the Association nor any Owner shall have the right to extend the enforcement of this Declaration to any real property not within the Development Property, whether or not such other real property is Future Phase Property. Provided, however, nothing contained herein shall in any way preclude or limit the applicable governing bodies from enforcing the terms of this Declaration.

10. **General Development Information.** Any brochures, maps, models, handouts, schematics, plans, and facilities provided or available in connection with the Development Property or the development, construction, promotion, sale, marketing, or leasing of Development Property or Improvements thereon: (a) are provided for general information purposes only; (b) are subject to change and deletion without notice by Declarant or by public or governmental authorities; and (c) shall not obligate Declarant to develop, construct, promote, market, sell, or lease any such property or Improvements whatsoever or in any particular manner, or to add to the Development Property any Future Phase Property.

11. **Governing Law.** This Declaration shall be construed, governed, and enforced under and in accordance with the laws of the State of Tennessee.

12. **Interpretation.** The Board shall have the right, power, and authority to determine all questions arising under or in connection with this Declaration and to construe and interpret its provisions, and any determination, construction, or interpretation made in good faith by the Board shall be binding on all Owners. In all cases, the provisions set forth in this Declaration shall be construed, in the opinion of the Board, to best effect the intent of the general purposes of this Declaration. The provisions hereof shall be liberally interpreted to effectuate the purposes set forth herein, and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective.

13. **Remedies Cumulative.** The rights, powers, and remedies provided in this Declaration shall be cumulative and not restrictive of other remedies at law or in equity, and the exercise by a Person of any particular right, power, or remedy shall not be deemed an election of remedies or to preclude such Person's resort to other rights, powers, or remedies available to it.

14. **Partial Invalidity.** Invalidation of anyone or more of the provisions of this Declaration by judgment or court order shall not affect any other provision not expressly held to be void or the provisions so void in circumstances or applications other than those expressly invalidated, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to circumstances other than those expressly invalidated.

15. **Severability.** If any provision of this Declaration, the Governing Documents, or any section, sentence, clause, phrase, word or the application thereof in any circumstance is held invalid; the validity of the remainder of this Declaration and the Governing Documents and of the application of any such provision, section, sentence, clause, phrase or

word in any other circumstances shall not be affected thereby, and the remainder of this Declaration or Governing Documents shall be construed as if such invalid part was never included therein.

16. **Captions and Gender.** The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof. The use of the masculine gender in this Declaration and in the Governing Documents shall be deemed to include the feminine and neuter references, and the use of the singular shall be deemed to include the plural whenever the context so requires.

17. **Exoneration of Declarant.** Each Owner or any other party having an interest in any portion of the Development Property expressly agree that no duty or obligation is imposed upon the Declarant to enforce or attempt to enforce any of the covenants or restrictions contained herein, nor shall the Declarant be subject to any liability of any kind or nature whatsoever in respect to any claim that the Declarant has failed to enforce same.

18. **Conflicts in Legal Documents.** In case of conflicts between the provisions in this Declaration and the Governing Documents this Declaration shall control.

19. **Effective Date of Declaration.** The effective date of this Declaration shall be the date of its recording in the Register's Office for Davidson County, Tennessee.

EXHIBIT D

BY-LAWS OF SAGE RUN TOWNHOMES OWNERS ASSOCIATION, INC.

ARTICLE I DEFINITIONS

The words defined in the Declaration for Sage Run Townhomes of Record in the Register's Office for Davidson County, Tennessee shall have the same meaning in these By-Laws.

ARTICLE II NAME AND OFFICES

1. **Name.** The name of the Association for all Owners within the Development Property shall be the Sage Run Townhomes Owners Association, Inc.

2. **Registered Office and Agent.** The initial registered office of the Association is Metropolitan Property Management, LLC, 4521 Trousdale Drive, Nashville, Davidson County, TN 37204.

3. **Other Offices.** The Association may also have offices at such other places both within and outside the State of Tennessee as the Board may from time to time determine or the business of the Association may require.

ARTICLE III MEMBERS AND MEMBERSHIP PRIVILEGES

1. **Eligibility and Membership.** The Members of the Association shall consist of the Owners of a Unit within the Development Property. If an Owner is a trust, then the Member shall be a beneficiary of such trust; and if an Owner or such a beneficiary is a corporation or partnership, the Member may be an officer, partner, or employee of such Owner or beneficiary. No Member shall be required to pay any consideration whatsoever solely for membership in the Association.

2. **Succession.** The membership of each Owner shall terminate when he ceases to be an Owner, and upon sale, transfer, or other disposition of his ownership interest in the Development Property, his membership in the Association shall automatically be transferred to the new Owner succeeding to such ownership interest.

ARTICLE IV MEETINGS OF MEMBERS

1. **Annual Meetings.** The first regular annual meeting of the Members may be held, subject to the terms hereof on any day, at the option of the Board; provided, however, that the first meeting may (if necessary to comply with Federal Regulations) be held no later than the earlier of the following events: (a) four (4) months after all the Units within the Development Property have been sold by the Declarant or (b) five (5) years following conveyance of the first Unit within the Development Property by the Declarant. Each subsequent regular annual meeting of the Members shall be held, to the extent possible, within twenty-five (25) days of the anniversary of the first regular annual meeting each year thereafter at such time as set by the Board.

2. **Special Meeting.** Following the Period of Declarant Control, special meetings of the Members, for any purpose or purposes, may be called by the president, a majority of the Board, or by Members having not less than sixty-seven percent (67%) of the total Vote entitled to be cast at such meeting, except as otherwise required by Tennessee statute, the Declaration, or these By-Laws. Business transacted at all special meetings shall be confined to the business stated in the notice of such meeting. During the Period of Declarant Control,

special meetings of the Members, for any purpose or purposes, may only be called by the Declarant.

3. **Place and Time of Meetings.** Meetings of the Members of the Association may be held at a place and at such time to be determined by the Board within Davidson County, Tennessee as specified in the written notice of such meeting.

4. **Notice.** By or at the direction of the Declarant, the president, the secretary, or the officer or Person authorized to call the meeting, written notice shall be sent to every Member of the Association entitled to Vote at such meeting by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, or facsimile or electronic transmission to the address or other contact information provided to the Board by the Owner or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit not less than ten (10) nor more than sixty (60) days prior to the date of such meeting. Said notice shall state the place, day, and hour of the meeting and in the case of a special meeting, the purpose(s) for which the meeting is called.

5. **Quorum.** The presence in person or by proxy of at least thirty-five percent (35%) of the Votes entitled to be cast at a meeting of the Members shall constitute a quorum at all meetings of the Members for the transaction of business. If, however, the Members entitled to Vote in person or represented by proxy present at a meeting fail to satisfy a quorum, the Members present shall have the power to adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. Further, if a quorum is not present, a subsequent meeting may be called, and the required quorum shall be reduced by half at such meeting.

6. **Majority Vote; Withdrawal of Quorum.** When a quorum is present at any meeting, the majority Vote of Members present, in person or by proxy, and entitled to Vote shall decide any question brought before such meeting, unless the question is one upon which by express provision of an applicable Tennessee statute, the Declaration, or these By-Laws, a different Vote is required, in which case such express provision shall govern and control the decision of such question. In the event of a tie Vote concerning any matter coming before the Members, the President of the Association shall decide same. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding withdrawal of enough Members to leave less than a quorum.

7. **Method of Voting; Proxies.** Each Member shall be entitled to cast one (1) Vote for each Unit owned by such Member as further provided in the Declaration. The Vote of each Member may only be cast by such Member or by a proxy duly executed and given by such Member to his authorized representative as set forth on such proxy. No proxy shall be valid for more than one meeting and shall bear the signature of the Member making the proxy, the date of the meeting to which the proxy relates, and the name of the authorized representative to Vote on behalf of the Member. Such proxy may not be revoked except by actual notice to the Person presiding over the meeting for which the proxy relates; and such proxy is void, if it is not dated or purports to be revocable without notice. Such proxy shall be filed with the secretary prior to or at the time of the meeting. If title to any property ownership interest in a Unit of the Development Property entitling the Member to Voting rights as provided in the Declaration is in the name of two or more Persons as co-owners, all such Persons shall be Members of the Association referred to herein as a "Joint Member." Any such Joint Member is entitled to one unanimous Vote per entitled Member as provided in the Declaration at any meeting of the Members of the Association, and such Vote shall be binding upon the Joint Member until written notice to the contrary has been received by the Board identifying the authorized manner in which the Joint Member's unanimous Vote is to be cast (in person or by proxy). In the event of disagreement among such Joint Member to cast a Vote, such Joint Member shall not be recognized, and such Vote shall not be counted.

8. **Assessment Default.** No Owner who is in default in the payment of any Assessment or other duly levied charge shall be entitled to exercise his right to Vote until he has cured such default. An Owner may protest the amount of any Assessment or other duly levied charge, but it still must be paid during the pendency of his protest to the Association or its agent.

9. **Action Taken Without a Meeting.** The Members shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written consent of the number of members which would otherwise be required to approve such action. For instance, if an action required the approval of Members holding a majority of the total Voting rights of the members, then a writing signed by Members holding a majority of the total Voting rights of the Members would be effective as if such approval was given at a meeting duly called for such purpose. Any action so approved shall have the same effect as though taken at a properly called meeting of the Members.

ARTICLE V BOARD OF DIRECTORS

1. **Board Authority and Number.** The affairs of the Association shall be managed by a Board of Directors. During the Period of Declarant Control, the members of the Board, who need not be Members of the Association shall be appointed by the Declarant and shall serve at the pleasure of the Declarant. After the Period of Declarant Control, the Board shall consist of three (3) directors each of whom must individually be a member of the Association or be the Declarant, its assignee or officer, agent, or representative thereof.

2. **Election.** After the Period of Declarant Control, the election of the members of the Board to be elected for a particular year shall occur at the annual meeting of the Members. The election of the Board by the Owners shall be based on the number of Persons receiving the highest number of Votes for as many candidates as there are Directors being elected at a meeting of the Owners at which a quorum is present. Cumulative Voting is not permitted.

3. **Nomination.** Nomination for election to the Board may be made by a Nominating Committee. Nomination may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a Chairman who shall be a member of the Board and two or more Members of the Association. The Nominating Committee shall be appointed by the Board prior to each annual meeting of the Members to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each annual meeting. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled.

4. **Term of Office.** Directors shall be elected for terms of one (1) year or until their successor is elected.

5. **Vacancies.** If any vacancy occurs in the Board, caused by death, removal from office, retirement, resignation or disqualification, a successor(s) shall be elected by majority vote of the remaining Directors for the unexpired term of his predecessor in office. Any Director who ceases to be a Member of the Association during such Director's term in office shall cease being a Director effective with such change, and such Director's successor shall be selected by the remaining Members of the Board.

6. **Director Removal by Board Members.** Any Director may be removed from office with or without cause by the majority vote of the Directors, who shall elect a successor Director for the unexpired term of his predecessor in office by majority vote.

7. **Director Removal by Members.** Notwithstanding any provision to the contrary in the Declaration or these By-Laws, any member of the Board other than a member appointed by the Declarant may be removed with or without cause by majority Vote of all the Members of the Association.

8. **Place of Meetings.** The Board shall hold their meetings, both regular and special, in Davidson County, Tennessee or such other location as may be selected by unanimous consent of the Directors then elected and serving. Regular meetings of the Board may be held without notice at such time and place as shall from time to time be determined by the Board. Special meetings of the Board may be called by the president or a majority of

the Directors upon three (3) days written notice to each Director, either personally, by mail, by facsimile, or by other electronic transmittal. Except as may be otherwise expressly provided by Tennessee statute, the Declaration, or these By-Laws, neither the business to be transacted nor the purpose of any special meeting need be specified in a notice or waiver of notice.

9. **Quorum.** At all meetings of the Board, the presence of a majority of the Directors shall be necessary and sufficient to constitute a quorum for the transaction of business. The act of a majority of the Directors present at any such meeting at which there is a quorum shall be the act of the Board. If a quorum shall not be present at any meeting of the Directors, the Directors present may adjourn the meeting by announcement at the meeting without notice until a quorum shall be present.

10. **Action Taken Without a Meeting.** The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all the Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

11. **Compensation.** No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties.

12. **Agents and Delegation of Powers.** Except as otherwise prohibited by statute, the Declaration, or these By-Laws, the Board may delegate any of its powers to other Persons or Management Agent. Any such delegated powers shall be identified in writing maintained in the records of the Association.

ARTICLE VI BOARD POWERS AND DUTIES

1. **Powers.** The Board shall have the following powers subject to the provisions of the Declaration of the Association:
